Our Vision

MPOA strives to:

Advocate For property owners by engaging in non-partisan studies of significant community issues, enabling property owners to participate with their own voice.

Communicate With property owners through newsletters, the sponsorship of forums and newspaper articles with the goal of making relevant non-partisan information available to Madison taxpayers.

Educate and Be Educated By property owners through a mutual exchange of ideas focusing on environmental, financial and social issues affecting the Town of Madison.

Embracing and Igniting a Shared Vision for the Future of Madison Property Owners

Our Forums

To support our vision, MPOA will host an ongoing series of forums that will serve as a non-partisan tool to inform our community and to provide an opportunity for Madison property owners and taxpayers to keep current with the issues and to articulate their views on the programs being presented.

We can strengthen MPOA by working together to embrace a shared vision and becoming actively engaged in the future of our Madison community.
